What a fantastic night was had by all! The chilly evening certainly set the scene for a "Christmas in July" to remember.

With the fog drifting across the room, members were transported to the snowy wonderland of the North Pole.

Santa spared a few minutes from his hectic schedule of preparing this year's gifts and checking off the "naughty and nice" list to spread a little pre-christmas joy and the angelic voices of carolers ensured the festivities of this year's "Christmas in July" were a great success!.

Only 2 weeks to go until Black Friday Fright Night. On Friday 13th, join us for the Black Friday Fancy Dress party. Come and enjoy the vocals of "Monster of Rock". All the way from Melbourne especially for your entertainment.

Lots of fun and frivolity.

Canapes served from 7.30pm. Dress in your scariest Friday the 13th costume for yet another great party event at Pacific Harbour.
